EDUCATION

Set Sail on the Antimicrobial StewardSHIP: Best Practices in Optimizing Infection Management

TARGET AUDIENCE

This activity is intended for infectious disease (ID) specialists, critical care specialists, emergency medicine clinicians, primary care physicians, nurse practitioners (NPs), physician assistants (PAs), and pharmacists.

LEARNING OBJECTIVES

Upon completion of this activity, participants will:

- Have increased knowledge regarding the
 - Burden of antimicrobial resistance
- Have greater competence related to
 - Individualizing care strategies that incorporate the use of rapid PCR panels to mitigate potential consequences of antimicrobial resistance
- Demonstrate greater confidence in their ability to
 - Collaborate with the healthcare team to facilitate the implementation of antimicrobial stewardship practices

ACCREDITATION STATEMENT

In support of improving patient care, Medscape, LLC is jointly accredited with commendation by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

For Physicians

Medscape, LLC designates this enduring material for a maximum of 1.0 **AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit. Aggregate participant data will be shared with commercial supporters of this activity.

College of Family Physicians of Canada Reciprocity

College of Family Physicians of Canada Mainpro+[®] participants may claim certified credits for any **AMA PRA Category 1 credit(s)**[™], up to a maximum of 50 credits per five-year cycle. Any additional credits are eligible as non-certified credits. College of Family Physicians of Canada (CFPC) members must log into Mainpro+[®] to claim this activity.

Royal College of Physicians and Surgeons of Canada

Through an agreement between the Accreditation Council for Continuing Medical Education and the Royal College of Physicians and Surgeons of Canada, medical practitioners participating in the Royal College MOC Program may record completion of accredited activities registered under the ACCME's "CME in Support of MOC" program in Section 3 of the Royal College's MOC Program.

For Pharmacists

Medscape designates this continuing education activity for 1.0 contact hour(s) (0.100 CEUs) (Universal Activity Number: JA0007105-0000-23-169-H01-P).

IPCE

This activity was planned by and for the healthcare team, and learners will receive 0.50 Interprofessional Continuing Education (IPCE) credit for learning and change.
